**MEMO ENDORSED**

Re: *CA, Inc. v. AMX International, Inc.*  
07 CV 9799 (LTS)

Dear Judge Swain:

This firm represents plaintiff CA, Inc. ("CA").

I write to request a thirty day extension of discovery in the action. In the hope that mediation might resolve this action, the first discovery demands in the action were not served until mid-June. However, the parties were not able to arrange for mediation, and as a result counsel for Defendant, on July 3, asked the Court, with Plaintiff's consent, to extend the mediation deadline. See Docket Entry 12. This request was granted. *Id.* The fact discovery deadline is currently July 15. There have been no prior requests for an extension of this deadline. Counsel for Defendant advised me that Defendant will not consent to the request.

Respectfully submitted,

  
John P. McEntee

The Court has considered  
the parties' correspondence  
relating to this request,  
which is granted.

cc: Scott Stechman, Esq. (By ECF)

SO ORDERED.
